

RECRUITMENT EXCELLENCE IN UAE'S RACE FOR EXCELLENCE

Overseas Labour Supply (OLS) is proud to be associated with Bin Belaila Baytur LLC since July 2004 in respect of their manpower recruitment assignments for the Shoreline Apartments construction in Palm Jumeirah.

Senior officials of Bin Belaila Baytur travelled with OLS officials on several occasions to India for selecting skilled personnel for the company's Civil, Electrical and Mechanical projects.

A majority of the workers who contributed their professional skills from start to the finish in the construction of the Shoreline Apartments are recruits of OLS.

Rapidly responding to the manpower needs of the Emirates right from the first construction boom in the seventies, to the present miracle of modern economy, personified in the unprecedented development that has taken place in the UAE, OLS has maintained its fair share of human resource contribution in strengthening the arms of the building construction industry.

OLS believes that the greatest asset of any organization is its people. That is why professional recruitment is of utmost importance. Recruiting the right people demands trained professionals with rich experience to analyze a "resume" and "read" a candidate during an interview or trade-test.

Under the dynamic leadership of its managing director Mr. Mohammed Jindran, Overseas Labour Supply has grown over the span of 27 years, to be UAE's most reliable overseas recruitment firm, servicing the manpower needs of Construction and other related industries in UAE.

Having its corporate offices in Dubai and Sharjah, OLS has been instrumental in providing hundreds of UAE firms with
